Memorial Stone Layout

The Veterans' Memorial at Stanley Park in Westfield, MA is dedicated to the men and women who served our country during war and peace – past, present, and future. The Veterans' Committee is pleased to offer the opportunity to purchase bricks that will comprise an "honor roll" that will be located in the area of the Veterans' Memorial. The bricks will recognize all veterans – both living and deceased, and will be placed alongside the walkways and other areas of the memorial in recognition and dignity of those we honor.

The donation for each individual brick is two hundred dollars (\$200.00). These funds will cover the cost of the bricks and the engraving. The remainder will be placed in a "restricted" account that can only be used for the Veterans' Memorial area upgrades, additions and its perpetual care. None of these funds will be used for the operation of Stanley Park.

Each individual brick (size 4" x 8") may have up to 3 lines of lettering with the maximum of Sixteen (16) letters/characters in each line. The number of letters/characters does include all spaces between words.

If you would like to purchase more than one brick to salute a family/group, please indicate at the time of ordering so the bricks can be placed in sequence on the memorial stone area. A separate order form must be submitted for each brick ordered.
