

Veterans' Memorial at Stanley Park

In February 2009, a volunteer committee was formed to help raise funds for the design and construction of a Veterans' Memorial at Stanley Park. The Committee has been active over the past few months and, as you can see, the design has been completed. The Board of Directors at Stanley Park has graciously granted the Veterans' Committee a prime location for the placement of this honor to all veterans, past, present and future.

The Veterans' Committee has unanimously decided to include the five branches of service (Army, Marines, Navy, Air Force, and Coast Guard) along with the U.S. Merchant Marines on this Memorial.

We respectfully ask for your financial support for this project.

Please remember that this donation will be for the Veterans' Memorial and does not take away the need for monetary support to Stanley Park; were it not for the kindness of Stanley Park, we would not be able to have this peaceful location to pay honor to our Nation's Heroes.
